

# Donation Form

## \$24 for 24

Millburn EPIC is a 501(c)(3) charitable organization that is committed to raising funds to enrich the learning experience for the students of Millburn School District #24.

In addition to annual scholarships for Millburn graduates, EPIC has helped to provide student stipends for field trips, teacher stipends to assist with classroom expenses, promotion of classroom holiday parties, and overall support of the district's staff and students. We are currently supporting the district's initiative of STEM education. For more information on Millburn EPIC, please visit our website at [www.millburnepic.com](http://www.millburnepic.com)

Please consider making a \$24 donation to Millburn EPIC. Your contribution is eligible for the full deduction allowed by federal and state laws. Tax Identification Number: 86-1173478.

Contributing to the 24 for 24 program will help District #24 continue its academic excellence.

Help us reach our goal to donate \$25,000 annually. Together we can make it happen!

Make an even bigger contribution by volunteering your time and joining any of the following: Board of Directors, a committee chair, or a classroom liaison. We are looking for new members to help us with fundraising events and the many activities we coordinate throughout the year. If you are interested please contact Margaret Muscia at [president@millburnepic.com](mailto:president@millburnepic.com)
