

## **2020 Millburn EPIC Online Auction**

### **What items are available?**

These are the one-of-a-kind opportunities for your students to interact with their teachers and school staff in fun settings.

### **How does it work?**

- Log onto <http://mef24.schoolauction.net/millburnonline2020/> and search for your account from last year or create a free account. **\*Please log on BEFORE the auction begins to be sure your account is up to date and ready to use!**
- Click on the Online Auction tab on our event site to see all of the items available. You can sort those items by grade level, using the drop down menu next to "All Categories."
- When you find an item you want to bid on, click on the item title and it will open to show you the minimum bid, bid increments and the current highest bid for that item.
- You can choose to place one bid or place a maximum bid and the system will bid for you up to your maximum (just like e-Bay).
- If you get outbid on an item, you will receive an e-mail letting you know or you can always log into your account to check the status of your bids.
- If you are the highest bidder you will receive an e-mail with a link to pay for the item.

If you have any questions on bidding, please e-mail [corporatefundraising@millburnepic.com](mailto:corporatefundraising@millburnepic.com)
