**Cost:** \$10 per session

### ***Camp Philosophy***

The Lakes Boys Basketball Camp is designed to help players improve on both individual and team skills. The focus will be on developing the skills every player needs to make a contribution to his team. Camps will focus on individual instruction on a daily basis along with the chance to play in games to work on team skills. Our coaching staff will work to develop each player during his time at camp while also making the camp enjoyable for all campers.

Any questions, please contact Coach Snyder at [chris.snyder@chsd117.org](mailto:chris.snyder@chsd117.org)
