Camp Coaches will be a mix of current and returning icSports Coaches who know sports, love children/teens, and want to serve Christ.

Basketball, Soccer, and Volleyball camps will be formatted as a **hybrid sports camp and summer league combination**, providing an added layer of fun and excitement for the participants.

Where indicated, camps will run for **two weeks** to allow players more time to refine their skills and apply them in game situations.

Camps will run Monday through Thursday, as many summer Fridays are family travel days. Camps will be co-ed, unless otherwise noted.
