

SUMMER in the Neighborhood

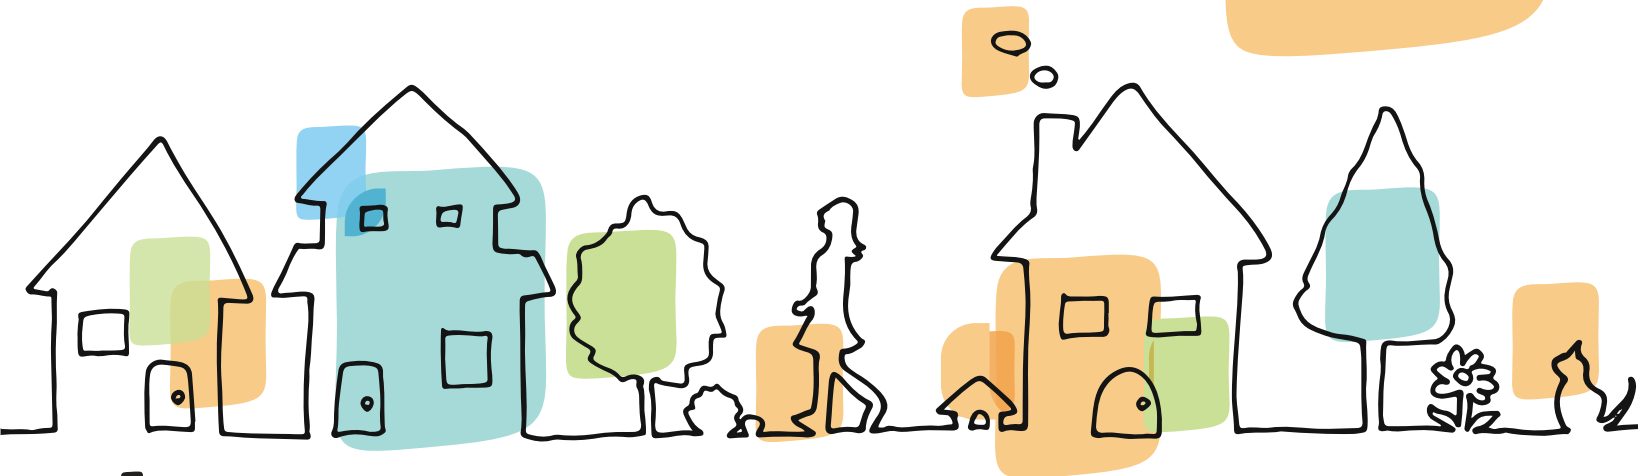

LVDL 2020

Spend summer in the neighborhood with Lake Villa District Library.

Read great books, do fun activities, get chances to win and do good in your community. It's easy to participate ... here's how:

- Starting June 1, sign up at www.lvdl.org/summer or give us a call and we'll sign you up.
- Read (or be read to) for 20 days. Set a daily reading goal—how about 20 minutes?
- Mix it up—replace up to 5 of the 20 days of reading with fun activities. We have lots of suggestions!
- Earn a chance to win fantastic prizes when you start a log and again when you finish it. Complete up to three logs for the most chances to win.
- Kids and young adults can earn up to two brand-new books to keep!
- For each log completed, the LVDL Foundation will donate \$1 to the Lake Villa Township Food Pantry.

Summer in the Neighborhood starts June 1 and runs through August 9. Visit www.lvdl.org or call 847.356.7711 for more information.
