

APRIL NEWS

EARTH DAY CELEBRATION!

The Adler Arts Center's annual Earth Day Celebration will be held April 24 from 2:30-4:30pm. It is free and open to the public. All ages are welcome! Children under 12 must be accompanied by an adult. Learn more about our local environment, help build an art installation, learn about local birds with The Lake County Audubon Society, help clear litter from The Woods and more! Masks and Social Distancing will be in place. To register, e-mail jennifer@adlercenter.org.

Camp Adler CAMP ADLER SUMMER DAYCAMP ENROLLMENT NOW OPEN

At Camp Adler, creative young people (ages 5-11) explore and expand their skills in art and performance. During each **two-week session**, campers will enjoy three conservatory-level art classes and two performance classes. Beyond the creative class experience, campers also participate in a variety of group games and activities, all while developing new friendships!
