

# Lil' Fish Reading Program

Dear Parents or Guardians.

Spring is right around the corner and you know what that means....it's almost time for baseball! Millburn Elementary is excited to announce that our school will be partnering with the Kenosha Kingfish baseball team to bring our students the Lil' Fish Reading Program this year. The Lil' Fish Reading Program is a fun, baseball themed reading incentive program sponsored by The Kenosha Kingfish and Southern Lakes Credit Union in which your child can 'round the bases of reading and slide into "home plate" to receive 2 free tickets to *Millburn Night with the Kenosha Kingfish*- *\*Date to be determined- Look for an announcement in the Mustang Minute!*

This program pairs nicely with our students' current reading goal of 30 minutes each night. Therefore, any reading that your student currently does to earn "reading steps" for their class can also be counted towards the Lil' Fish Reading Program too!

Here's how to participate....

1. Students read for 30 minutes at least 5 days a week (600 minutes total) and track it on the attached tracker.
2. Students return the completed reading tracker with a parent's or guardian's signature.
3. Information with how to claim your student's free tickets will be sent home after the program has been completed.

## Important Dates to Remember

Feb 6th- Reading Program Begins

March 3rd- Completed Reading Logs turned in

March 24th- Tickets need to be ordered online- Information on how to order tickets will come home after your child has completed the reading program.

- Discounted tickets will be available for purchase for all additional family and friends.

\*All tickets will be ordered online through the Kingfish- More details to come!
