

Millburn Middle School 2020-2021 Yearbook Order Directions

**It is time to order the 2020-2021 MMS Yearbook!
And we are working with a new yearbook company this year,
Walsworth Publishing.**

To access the website, go to the url yearbookforever.com

Once you have accessed the site, you type Millburn Middle School where it asks for the School Name. Then you put in Lindenhurst for the city, and then Illinois. There is another Millburn Middle School in Millburn, New Jersey, so please make certain you are ordering for the correct school and state. Then click on Shop the Store.

You will see that there are two choices available:

If you are just purchasing the regular yearbook, the cost will be \$28.25. If you want to add other items a la carte, you will have that opportunity on the next page.

The Deluxe page includes a yearbook, a name stamp with one line of text, three icons, and a clear book protector. The cost for this package is \$51.25.

The third page is Who's This Yearbook for? Fill out that information including your email address and then add it to the cart. That will bring you to the checkout page.

If you have any questions, please contact me at sharpke@millburn24.net.

Thank you.
