Millburn Community Consolidated School District 24 Yearly iPad Accident Protection Plan

Millburn School District 24 is providing and administering an accident protection plan for students and parents as part of our iPad Learning Initiative. Enrollment in this plan is required for students who wish to take their iPad home. Students who are not enrolled in the plan will check their iPad in and out of the classroom each day. This plan covers "accidental damage" to the device and is designed to limit a family's financial responsibility for any damage as described in the coverage section below. In addition each device is covered under a manufacturer's warranty that covers the normal operation of the device to ensure that it is functioning properly.

My child WILL participate in the Millburn District 24 Protection Plan. I agree to the provisions outlined in the policy terms and understand that:

- Enrollment in this program is required to take the protected device home.
- The Policy does not cover cosmetic damage that does not impair the use of the device. This includes but is not limited to scratches, dents, and broken plastic parts or port covers.
- Damage as a result of a violation of the iPad User Agreement is not covered. This includes but is not limited to dishonest, fraudulent, intentional, negligent, or criminal acts. Damage to the device is still the responsibility of the student/family.
- Liability is limited to the replacement/repair of the device; no additional liability is implied or assumed.
- Jailbreaking the device voids all warranties and is not covered by this policy. "Jailbreaking" is the act of hacking an operating system and removing manufacturer protections in an attempt to modify a device.
- Covered devices must be in the district provided case. Damage that occurs when the device is not housed in the case provided is not covered under this policy.
- The Protection Plan fee is non-refundable.
