Holocaust Museum: On behalf of the 7th grade students and teachers, we would like to take this opportunity to invite parents, students, siblings, and other teachers to visit the 2016 Holocaust Museum. This museum is located in the jazz band room on the first floor of MMS near the east gym and has been created by the 7th grade students in honor of those who lost their lives in the Holocaust and also those who survived.

The museum will be open for viewing beginning Tuesday, May 31st. Please come and see this stunning tribute the 7th grade students have worked so hard to present.

PBIS End of Year Auction: We had our end-of-the-year PBIS Celebration Auction event today in each grade. The students used blue tickets to bid on auction items. Some kids pool their tickets with friends in order to bid larger ticket amounts. We also have raffle prizes that students can put tickets into for a chance to win. Needless to say, the auction is exciting and full of action.

Middle School Schedule: We are in the final process of getting course descriptions ready to share with parents and students. You should anticipate this being a direct email today (Friday) with the descriptions of classes being offered. Later, you will get another direct email that will have a survey of interest for your child.

Reminder: Wednesday, June 1st is the first Wednesday of the month. There is not an Early Dismissal scheduled for this day. Our last Early Dismissal was May 4th. Dismissal on June 1st will be normal time at 3:02
