Tips on How to Avoid Tardiness

New Millburn Middle School Sign: You may recall from a previous newsletter that the PTO purchased a new sign for the Middle School. The old one was in bad shape and the school name was out dated. Thank you to our PTO for this support!

The old sign is removed and the new sign is now anchored in place. I would like to commend the work of former Millburn student, Josh Tanneberger. Josh is a local Boy Scout in troop 1987. He reached out to the school for any possible Eagle Scout projects earlier this summer because he went to school here, he was familiar with it and it was close to home. Josh assembled his crew (other local boy scouts, family and friends) and led the project at Millburn Middle School. Not only did he remove the old sign and anchor the new sign, but the crew also cut down a fallen tree on the south side of the parking lot (if you need some firewood, help yourself). Josh is in his final steps towards earning his Eagle Scout rank.

On behalf of Millburn Middle School, I would like to thank Josh and his team for the work that they accomplished at school. This project improved the look of the school, saved the school some money and preserved some custodial time during the busy summer.

Millburn Cup: This year's Millburn Education Foundation golf outing will be held Friday, September 11, at Bittersweet Golf Club in Gurnee. All proceeds will benefit

the students of Millburn School District. Information on this event is in this week's backpack. <http://millburncup.eventzilla.net/web/event?eventid=2139089156>
