ACTION ITEM

Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of two new hires. One is Dana Ready and is being hired for the new autism classroom we are having. This will save us dollars by not having to pay SEDOL tuition for these students. Our second hire is Israel Llamas, the replacement for Chris Griesheimer in the tech specialist role. We have moved this position to the non-certified section of employees.
