

**INFORMATIONAL ITEM**

April 19, 2010

To: Board of Education Members  
From: Joanne Rathunde  
Subject: Technology Report

Our technology plan has been reviewed and we had 3 minor areas to revise. We will be resubmitting our revisions by the last week of April and we should get approval upon the completion of our second reading. I will post the complete plan on our website as soon as we have a green light.

I'm looking forward to everyone meeting the new addition to the tech department. Israel "Izzy" Llamas could not be at the board meeting because he is in a graduate program that meets on Monday evenings. He is a very enthusiastic, highly recommended young man who is very excited about this career advancement. We look forward to his start date of June 1<sup>st</sup>.
