- The two nights of the talent show were a huge success! Over 100 students participated.
- We are very busy trying to develop schedules for the upcoming year, and place students into classes. We want to get every student into a spot where they will be challenged to reach their fullest potential.
- We are working as an administrative team to further train staff members in the implementation of RtI.
- Two students from Central were honored with the Illinois Principal's Association Principal's Award. The honorees were Anna Thomas and Troy Kincaid.
- The band participated with Warren HS and the other Warren feeder schools in a combined workshop and performance. The choir participated with Lakes HS and the other feeder schools in a combined workshop and performance. Both programs provided great experiences for the children.
