Attached is the Lake County Abstract of Votes report signed by County Clerk Willard Helander on Wednesday, April 20. The report provides candidates, votes received, and a checkmark if they were elected. For districts canvassed by another County or by the State, the candidates and votes received are displayed, but the "Mark if Elected" column will be blank. The canvassing authority for those districts should provide a report indicating the winners.

For Districts that overlap more than one county, the Multi-County Abstract of Votes Report will show the election results from all counties.

For Districts that had referenda questions, the Referenda Abstract of Votes Report is included.

Also attached is the Election Results Summary Report which can be used to determine Total Ballots Cast, if desired. The process for determining Total Ballots Cast is provided below.

The Write-In Candidate Report is also attached and shows vote totals for officially declared write-in candidates.

Please contact Luke Stowe (847-377-2421 or lstowe@lakecountyiil.gov) or Suzann Denlinger (847-377-2317 or sdenlinger@lakecountyiil.gov) if you have any questions.

Process for determining Totals Ballots Cast:

Total Ballots Cast by office is determined by adding together the ballots cast for all candidates (including write-ins), adding to that total the undervotes, then dividing that total by the "Vote For" number and adding to that the number of overvotes.

Example:

Vote For 3

Candidate 1 86

Candidate 2 111

Candidate 3 83

Write-In's 5

TOTAL: 285

+

Under Votes 117

402

÷ 3

134

+

Over Votes 2

136

285 + 117 = 402, 402 ÷ 3 = 134, 134 + 2 = 136 Total Ballots Cast
