

From the office of the Millburn Central Principal

Administrative Report

AUGUST 16, 2010

To: Board of Education Members

From: Jason Lind

There was a flurry of last minute changes to be made after receiving the resignation two teachers. We were able to reassign the students and get the schedules complete in time for the homeroom letters to be mailed on Friday.

The building is looking great, and we will be ready for the students to arrive next week and the teachers this week. Many teachers have been in throughout the entire month to get their classrooms set up. We are fortunate to have such a dedicated staff.

We will have an Open House/Supply Drop on the evening of August 23rd. All parents and students are invited to stop by the school to drop off their supplies, see their classrooms, and visit their teachers. Traffic will be very heavy at this time, but it will be worth the effort.

I am excited about the single start time. This will allow for a more efficient use of our time at Central.
