ACTION ITEM

August 16, 2010

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of hiring a substitute teacher, approving an FMLA, and the acceptance of resignations.

The other items in the consent report have documentation attached to the last meeting on August 2.
