Dear Elizabeth -

This letter is to serve as confirmation of my resignation as a school social worker for the Millburn District. As I mentioned during our conversation, it has been a privilege to work for such an amazing District helping students learn to problem solve challenges that may interfere with their personal academic and social success. This was a very tough decision for me and I will greatly miss the students, their families and of course the wonderful Millburn staff. Thank you for allowing me to serve this community.

I wish you all a wonderful school year!

Very truly yours,

Amy Petitti

Dear Administrators,

I am writing this letter with much regret. Although I have enjoyed the many years that I have worked full time for Millburn School District, I wish to spend more time with my family than a full time position would allow.

It was my hope that the district would continue to support me, as it has so many others, with the changing needs of its long term employees. Due to the fact that my request to be employed part time has been denied I have no other choice but to resign my position with the district.

I truly hope Millburn School District will consider my employment in the future. I would continue to provide excellent educational services to the district and its students.

Thank you and sincerely yours,

Andrea Kitowski
