Board of Education Meeting Procedure

Agenda

The Board President is responsible for focusing the Board meetings' agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board of Education action. Any board member may request the withdrawal of any item under the consent agenda for independent consideration.

Items submitted by Board of Education members to the Superintendent or the President shall be placed on the agenda. District residents may suggest inclusions on the agenda. Items may be added to the agenda at the beginning of a regular meeting upon the majority approval of those Board members present.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board of Education member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The Board President shall determine the order of business at regular Board of Education meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.
