

Administrator and Teacher Salary and Benefits Data  
For the 2011-12 School Year

Effective January 1, 2012, Sections 10-20.47 and 34-18.38 of the School Code [105 ILCS 5/10-20.47 and 5/34-18.38] were amended to require school districts to 1) report administrator and teacher salary and benefits to the Illinois State Board of Education (ISBE) by October 1 and 2) present the information at a school board meeting before posting on the website of the district:

"Each school board shall report to the State Board of Education, on or before October 1 of each year, the base salary and benefits of the district superintendent [or the general superintendent of schools or chief executive officer] and all administrators and teachers employed by the school district. For the purposes of this Section, "benefits" includes without limitation vacation days, sick days, bonuses, annuities, and retirement enhancements.

Prior to this annual reporting to the State Board of Education, the information must be presented at a regular school board meeting, subject to applicable notice requirements, and then posted on the Internet website of the school district, if any."

A copy of the report is attached for presentation at the September 19, 2012 school board meeting.
