The band concert, was a huge success, and I am looking forward to the choir concert and 3rd grade concert. I had many compliments on the program and I was happy to take full credit! (not really) The children and the director worked very hard and presented an outstanding program.

Millburn Central was honored at CLC for achieving a high attendance rate. We were 6th in our category of schools in Lake County. Brendan Schmidt attended with his mother, Therese Schmidt. Brendan was chosen for his nearly flawless attendance record. We didn't want to overemphasize attendance this year because of H1N1 concerns, but we do want to encourage excellent school attendance. Students tend to learn better when they attend the class.

Our students will be enjoying an assembly with a drum group on the day before winter break. The PTO will be sponsoring this group, and I am looking forward to hearing them.

I was able to articulate with Warren High School and the principals of the schools that feed into Warren. We had a wonderful conversation about our progress on RtI, homework, and a variety of other topics. As it turns out, Millburn is progressing quite nicely on RtI. It is always nice to hear we are doing OK.
