- The band concert on December 8 was an excellent performance as usual.
- The staff participated in an article study on higher order thinking skills during the last early dismissal on December 8. There was excellent discussion in each of the groups in which I participated. I am fortunate to have the opportunity to work with professionals that are always striving for improvement.
- All of the basketball teams are improving each week, and several may be contenders for the top spot in the conference at the end of the season.
- The 3<sup>rd</sup> grade music performance will take place on Wednesday, and the choir concert will take place on Thursday.
- We held two AIMSweb informational nights for parents. They were well attended, and well received.
