Millburn Website – [www.millburn24.net](http://www.millburn24.net)

Here are some things of interest on the Millburn website. On the left side under “Quick Links” are items that generate the most use – “I Would Like to...” and the calendars for 2016-17 and 2017-18 school years are the most used. The Employment tab links to our online application system. Below that section under the search box, is a CONTACT button. This is used most when someone is not sure to whom to direct a question or request. These emails are then sent to the person who would best be able to respond. That may be the principal, registrar, nurse, superintendent, or Board of Education. Another way to make contact would be to click on “I Would Like To...”

On that page is a section for contacting specifically the Board of Education, Superintendent, or finding a staff member’s email.

On the other side of the webpage is a button to make online payments using a credit/debit card. This links to RevTrak, our vendor who manages this program.
