Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of hiring 3 substitute teachers and the acceptance of one retirement. Kathy Mark, first grade teacher, is giving us her intent to retire in June, 2014.

The other items in the consent report have documentation attached to the last meeting on February 1st.
