Subject: Registration/Activity Fee Review for 2010-11

As you know, we review registration and activity fee charges each year. Last year, we saw an increase in fees that some considered significant and others considered well past the time for an increase. Everyone has an opinion. My suggestion is to revisit them each year and make a recommendation based on how things are going financially and economically. At this time, it may not be a good idea for an increase in the cost of fees; whether or not you want to tag other extra-curricular activities with a fee is up to you.

Our current fees are:

Registration K-8-\$100

Activity Fee-\$75 This only covers sports teams and band, not other extras.
