To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Special Election for Vice President

With the resignation of our Board of Education President from his office, Vice President Bob Buehler assumed the office of president under policy 2:110 - Qualifications, Term, and Duties of Board Officers. Therefore, a special election is needed to fill the office of Vice President at this time. The person would fill the role until after the April election at which time newly elected BOE members are seated and a reorganization meeting is held. At this time, nominations may be given and the election conducted for this vacant office.
