Millburn Public Schools

INFORMATIONAL ITEM

To: Board of Education Members
From: Elizabeth Keefe
Subject: Special Services Report

Since posting for LD/BD part-time position and fulltime Autism classroom teacher on our district website, we have received almost 20 applications.

I am attending the Lake County Schools job fair at Stevenson HS on Saturday March 9th and hope to speak with some promising candidates.

I will be setting up interviews with the building principals after I have had a chance to go through all of the applications and do an initial screening. Interviewing these professionals early will help us choose from the “cream of the crop” to find the best fit.
