ACTION ITEM

February 16, 2010

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: PMA Financial Services

Proposed Action by the Board of Education

Approve the hiring of PMA Financial Services for \$9500 for the next year and \$8000 in subsequent years.

Background

Remember, last time we did not have time to discuss the possibility of using PMA's services so we tabled it until tonight. We would like to discuss the presentation we saw from PMA two meetings ago and see if the services they are offering are something we would like to use at this time.
