ACTION ITEM

July 19, 2010

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of FMLA leaves, a re-instatement, and an employment of the special needs teacher to replace the one who resigned last month.

With the exception of the treasurer's report, all other items remain the same as they were when we discussed them at the last meeting. The treasurer's report asks for transfers to beef up our Educational fund, the fund in the worst shape. This is something we do yearly.
