

OFFICE OF THE SUPERINTENDENT

Millburn Public Schools

INFORMATION ITEM

June 20, 2011

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Board Member Documents Webpage

Joanne Rathunde has created a BOE member portal on the website so that BOE documents being maintained and created are able to be archived and accessed administratively should we get a FOIA request. We are not supposed to have items considered district documents at home without access through the district. It can create issues for us.
