To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Appoint Legal Counsel

Yearly, we appoint our legal counsel. This does not prohibit us from using any other legal counsel as we see fit, but we are supposed to select one as our official legal representation. We pay a \$50 retainer per month that goes very quickly, then we are charged hourly. (or by the minute, it seems) I would recommend that we continue with Hodges, Loizzi, Eisenhammer, Rodick, & Kohn. They are a full service organization and we work well with them.

We would ask you to put this appointment on the consent agenda for the next meeting.
