

Mr. Lind,

We spoke earlier about my position in the LRC and you know that is where my heart is. I want to stay in the LRC, but I've decided that I must change my teaching status to full-time for the 2010-2011 school year. I feel that I need to look ahead and be prepared for what is yet to come. I will be happy to be where Millburn needs me most.

Respectfully,

Meredith Frediani
