• Dear Dr. Mauer,

•

• Hello, my name is Andrea Kitowski. I am a Millburn Reading Resource teacher who is currently on leave of absence. It is my intention to return to work for the 2010-2011 school year.

•

• I have held a full time position with the school district for 12 years. I taught Kindergarten for the first four years then was chosen by the district to train for Reading Recovery. I served the district for the next eight years as a Reading Recovery and Reading Resource Teacher.

•

• I am prepared to fill a full time position but would really prefer a part time position if available. I have seventeen month old twins at home and would like to spend more time with them if possible.

•

• Thank you for your thoughtful consideration of my employment with Millburn School District,

•

Andrea Kitowski
