To: Board of Education Members

From: Jason Lind

- I met with non-tenured staff members to notify them of their status for the upcoming school year. The staff members that were not renewed were obviously disappointed, but very professional. We are certainly disappointed to see them head in another direction after they have invested several years in Millburn.
- ISAT testing is complete, and we were able to get nearly every student tested. Teachers are now able to get back into the routine of regular class work.
