Re: PARKING LOTS AND SITEWORK FOR MILLBURN ELEMENTARY/MIDDLE SCHOOL

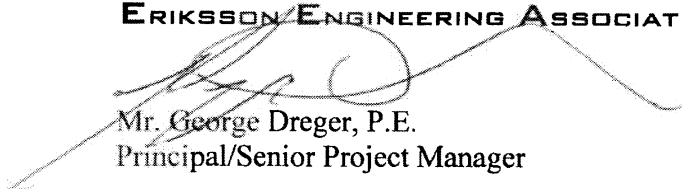

Dear Dr. Johns,

The District received five sealed bids for the referenced project on March 2, 2016. Eriksson Engineering reviewed the bid documents submitted and contacted the three lowest bidders after reviewing their qualifications and the completeness of their bids. Based on our past experience with the lowest apparent bidder in this type of work and based on our verification of their understanding of the scope of work, we recommend Maneval Construction Co., Inc. of Ingleside Illinois for the work associated with the referenced project.

Please contact us if you have any questions or wish to discuss the recommendation in greater detail.

Very truly yours,

ERIKSSON ENGINEERING ASSOCIATES, LTD.

Mr. George Dreger, P.E.
Principal/Senior Project Manager
