Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of one resignation and one hire. Sandra Stein is moving and therefore needed to tender her resignation. Carol Milazzo is our hire for the new .7 ED/LD teacher for the following year.
