

OFFICE OF THE SUPERINTENDENT

Millburn Public Schools

INFORMATION ITEM

May 3, 2010

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Appoint District Architect

Yearly, we appoint our district architect. We have no current plans for building or plans for doing our 10-year safety survey so there is not an urgent need to evaluate services or do interviews. We can stay with Green and Associates as we have done in the past if you so desire. If we had any projects of substance, we would do interviewing of architects anyway.

We would ask you to put this appointment on the consent agenda for the next meeting.
