

## General Personnel

### Hiring Process and Criteria 1

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment.<sup>2</sup> The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board.<sup>3</sup> If the Superintendent's recommendation is rejected, the Superintendent must submit another.<sup>4</sup> No individual will be employed who has been convicted of a criminal offense listed in Section 5/21B-80 of the School Code.<sup>5</sup>

All applicants must complete a District application in order to be considered for employment.<sup>6</sup>

### Job Descriptions

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.<sup>7</sup>

---

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

<sup>1</sup> State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

<sup>2</sup> See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Districts may not classify a job as either a male or female job (29 C.F.R. §1604.5, 34 C.F.R. §106.55).

<sup>3</sup> Boards must consider the superintendent's recommendations concerning, among other things, "the selection, retention, and dismissal of employees," 105 ILCS 5/10-16.7. The board may want to use this alternative sentence:

All personnel decisions are made by the Board, but only on the recommendation of the Superintendent.

Subject to an applicable collective bargaining agreement in effect on June 13, 2011, a board that fills a "new or vacant teaching position" must select a candidate based on: (1) certifications, (2) qualifications, (3) merit and ability (including performance evaluation, if available), and (4) relevant experience (105 ILCS 5/24-1.5, amended by P.A. 97-8). The statute does not define "new or vacant teaching positions." This new requirement does not apply to filling vacant positions under 105 ILCS 5/24-12 (reduction in force). Consult the board attorney about how this section of P.A. 97-8 applies to the district's circumstances.

<sup>4</sup> An additional optional sentence follows:

The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

<sup>5</sup> 105 ILCS 5/10-21.9(c), amended by P.A. 97-607.

<sup>6</sup> Any person who applies for employment as a teacher, principal, superintendent, or other certificated employee who willfully makes a false statement on his or her application for employment, material to his or her qualifications for employment, which he or she does not believe to be true, is guilty of a Class A misdemeanor (105 ILCS 5/22-6.5). District employment applications must contain a statement to this effect (Id.).

Each employment application for a certificated position must state the following (Id.):

Failure to provide requested employment or employer history which is material to the applicant's qualifications for employment or the provision of statements which the applicant does not believe to be true may be a Class A misdemeanor.

<sup>7</sup> Job descriptions will become the basis for categorizing a teacher into one or more positions that the teacher is qualified to hold for reduction in force (RIF) dismissal and recall purposes (105 ILCS 5/24-12(b), amended by P.A. 97-8). However, any collective bargaining agreements in effect on June 13, 2011 supersede this law until June 30, 2013 (Id.). A board should consult with its attorney to review its current list of job descriptions and discuss the district's specific responsibilities in light of P.A. 97-8.

## Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. **8** The Superintendent or designee shall notify an applicant if the applicant is identified in either database. **9** The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Department of State Police and/or Statewide Sex Offender Database. **10**

Each newly hired employee must complete an Immigration and Naturalization Service Form as required by federal law. **11**

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in Section 5/21B-80 of the School Code or who falsifies, or omits facts from, his or her employment application or other employment documents.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following: **12**

---

A job description is evidence of a position's *essential functions* (29 C.F.R. §1630.2(n)). The Americans with Disabilities Act protects individuals who have a disability and are qualified, with reasonable accommodation, to perform the *essential functions* of the job (42 U.S.C. §12101, amended by the ADA Amendments Act (ADAAA), Pub. L. 110-325). Determining which functions are essential may be critical to determining if an individual with a disability is qualified. An individual is qualified to perform a job even though he or she is unable, due to a disability, to perform tasks which are incidental to the job. Only when an individual is unable to perform the *essential functions* of a job may a district deny the individual employment opportunities (29 C.F.R. §1630.2(m)). For a particular function to be essential: (1) the employer must actually require employees in the position to perform it, and (2) the position would be *fundamentally altered* if the function were removed (*Id.*). Whether a particular function is essential is a factual determination.

**Important:** The ADAAA makes significant changes to the ADA's definition of disability that broadens the scope of coverage and overturns a series of U.S. Supreme Court decisions that made it difficult to prove that an impairment was a disability. The final regulations were by a bipartisan vote and approved on March 25, 2011. There is information about the regulations and a link to them at: [www.eeoc.gov/laws/regulations/adaaa\\_fact\\_sheet.cfm](http://www.eeoc.gov/laws/regulations/adaaa_fact_sheet.cfm). Consult the board attorney regarding how these amendments impact the district's hiring processes.

**8** The policy's requirements on criminal records checks are mandated by 105 ILCS 5/10-21.9, amended by P.A.s 96-1452, 96-1489, and 97-607. See administrative procedure 5:30-AP2, *Investigations*, for the process and positions requiring criminal background investigation. The Statewide Sex Offender Database (a/k/a Sex Offender Registry) is available at: [www.isp.state.il.us/sor](http://www.isp.state.il.us/sor). The Statewide Murderer and Violent Offender Against Youth Database is available at: [www.isp.state.il.us/cmvo/](http://www.isp.state.il.us/cmvo/).

**9** *Id.*

**10** 105 ILCS 5/10-21.9(b). The School Code continues to define the board president's role in conducting criminal background investigations and receiving the results of these investigations, including the results for employees of district contractors (105 ILCS 5/10-21.9, amended by P.A. 97-248). Many districts delegate this task in the hiring process to a human resources department.

Use this alternative for districts in suburban Cook County: replace "Regional Superintendent" with "appropriate Intermediate Service Center." The Regional Office of Education for Suburban Cook County was abolished and its duties and powers transpired to the intermediate service center for the area by P.A. 96-893.

**11** Immigration Reform and Control Act, 8 U.S.C. §1324a *et seq.* Consult with the board attorney regarding the district's rights and responsibilities under all Illinois laws if the district uses any electronic employment verification system, including *E-Verify* and/or the Basic Pilot Program (820 ILCS 55/). This statute urges employers who voluntarily use *E-Verify* (formerly known as the Basic Pilot/Employment Eligibility Verification Program) to consult the Ill. Dept. of Labor's website for current information on the accuracy of *E-Verify* and to review and understand their legal responsibilities relating to the use of any electronic employment verification systems. See f/n #2 in 5:150-AP, *Personnel Records*, for a more detailed discussion of *E-Verify* issues.

**12** As an alternative to describing the prohibited investigations, a board may substitute this sentence:

1. The District uses an applicant’s credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position. **13**
2. The District does not ask an applicant or applicant’s previous employers about claim(s) made or benefit(s) received under the Workers’ Compensation Act. **14**
3. The District does not request of an applicant or employee access in any manner to his or her social networking website, including a request for passwords to such sites. **15**
4. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Physical Examinations

New employees must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease, including tuberculosis. **16** All physical fitness examinations and tests for tuberculosis must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination and tuberculin test performed no more than 90 days before submitting evidence of it to the Board.

---

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) claim(s) made or benefit(s) received under Workers’ Compensation Act; and (3) access to an employee’s or applicant’s social networking website, including a request for passwords to such sites.

The default policy provision and the alternative stated above – whichever is selected – may be made a prohibition rather than a duty of the superintendent; to do this, delete the stricken text as follows: “The Superintendent shall ensure that the District does not engage . . . .”

**13** Employee Credit Privacy Act, 820 ILCS 70/. This Act allows inquiries into an applicant’s credit history or credit report or ordering or obtaining an applicant’s credit report from a consumer reporting agency when a satisfactory credit history is an *established bona fide occupational requirement* of a particular position. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, the position’s duties include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more.

**14** Right to Privacy in the Workplace Act, 820 ILCS 55/10(a).

**15** Id., 820 ILCS 55/10(b), added by P.A. 97-875 and known as the Facebook Password Law (effective 1-1-2013). There are no exceptions to the rule stated in the policy. The statute specifically permits an employer to: (1) maintain workplace policies governing the use of the employer’s electronic equipment, including policies regarding Internet use, social networking site use, and electronic mail use; and (2) monitor usage of the employer’s (district’s) electronic equipment and electronic mail. The statute also states that it does *not prohibit* an employer from obtaining information about an applicant or an employee that is in the public domain or that is otherwise obtained in compliance with the statute. Finally, the statute does not apply to other types of personal technology that employees may use to communicate with students or other individuals, such as, personal email or text messages on a personal phone. Consult the board attorney about these issues.

**16** Pre-employment medical inquiries must be limited to whether the applicant is able to perform job-related functions; required medical examinations of applicants is forbidden (American with Disabilities Act [ADA], 42 U.S.C. §12112(d)(2), as amended by the ADAAA, Pub. L. 110-325); see also f/n #7 for an explanation regarding the ADAAA. Districts may condition an employment offer on taking and passing medical inquiries or physical exams, provided that all entering employees in the same classification receive the same conditional offer. Boards must require new employees to furnish evidence of a physical examination and a tuberculin skin test and, if appropriate, an X-ray (105 ILCS 5/24-5).

Note that while examination by a spiritual leader/practitioner is sufficient for purposes of leaves, the statute does not permit an examination by a spiritual leader/practitioner for initial employment exams. This difference may present a constitutional issue; contact the board attorney for an opinion if an applicant wants to use an examination by a spiritual leader/practitioner.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. <sup>17</sup> The Board will pay the expenses of any such examination.

#### Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position.

<sup>17</sup> The State law (105 ILCS 5/24-5) allowing boards to require physicals of current employees "from time to time," has been superseded by federal law (ADA, 42 U.S.C. §12112(d)(4), as amended by the ADAAA, Pub. L. 110-325). The ADA allows medical inquiries of current employees only when they are job-related and consistent with business necessity or part of a voluntary employee wellness program (Id.). Districts may deny jobs to individuals with disabilities who pose a direct threat to the health or safety of others in the workplace, provided that a reasonable accommodation would not either eliminate the risk or reduce it to an acceptable level (42 U.S.C. §12113; 29 C.F.R. Part 1630.2(r)). See f/n #7 for an explanation regarding the ADAAA.
