ACTION ITEM

October 19, 2009

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Collective Bargaining Contract Amendment

Proposed Action by the Board of Education

Approve the attached contract amendment to the collective bargaining agreement dated 2006-07 through 2010-11.

Background

The paragraph regarding family insurance was inadvertently left out of the collective bargaining agreement. To have this amendment will clear up any possible misunderstandings before we begin negotiating in a year.

Agreement Amendment

October 19, 2009

It was noted that an error of omission was made in the Employee Agreement for the years 2006-2011. This was unintentional and by this amendment is corrected.
