

OFFICE OF THE SUPERINTENDENT

Millburn Public Schools

ACTION ITEM

September 20, 2010

To: Board of Education Members

From: Ellen E. Mauer, PhD

Subject: Consent Agenda

Proposed Action by the Board of Education

Approve the consent agenda as presented.

Background

As a reminder, anyone wishing to pull anything from the consent agenda and have it discussed or simply voted on as a separate item, only needs to say so prior to the motion being made.

The personnel report consists of 2 resignations, our final group of hires, some substitutes, and an FMLA request.

Each year, we are required to approve the application for the annual recognition of schools. ISBE will get the application and issue our official accreditation once there is BOE approval.

We have a second reading and approval of policies and the goals for the superintendent as last discussed.
