

# PowerSchool Parent Single Sign-On

PowerSchool Single Sign-On feature has been enabled which requires parents to create a new account for the this school year.

Here's how it works:

- 1) From your web browser, go to <http://powerschool.millburn24.net/public>

This will take you to the PowerSchool sign in screen.

- 2) Click the Create Account button

**Sign In**

**Create an Account**

Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences.

**Create Account**

- 3) Create your account.

- Enter your first name and last name.
- Enter your email address.
- Enter a username of your choice. Remember, this is case sensitive.
- Enter your password. Make it six or more characters long with at least one capital letter, one lower-case letter and one number. The colored bar will tell you how strong your password is.
- For each of your students, enter your parent/guardian access information. This is found on the PowerSchool Account letter you received for each child.
