Field Trips ¹

Field trips are permissible when the experiences are a part of the school curriculum and/or contribute to the District's educational objectives. ²

All field trips must have the Superintendent or designee's prior approval, except that field trips beyond a 200-mile radius of the school or extending overnight must have the prior approval of the School Board.³ The Superintendent or designee shall analyze the following factors to determine whether to approve a field trip:⁴ educational value, student safety, parent concerns, heightened security alerts, and liability concerns. On all field trips, a bus fee set by the Superintendent or designee may be charged to help defray the transportation costs. ⁵

Parents/guardians of students: (1) shall be given the opportunity to consent to their child's participation in any field trip; and (2) are responsible for all entrance fees, food, lodging, or other costs, except that the District will pay such costs for students who qualify for a fee waiver under Board policy 4:140, *Waiver of Student Fees*. All non-participating students shall be provided an alternative experience. Any field trip may be cancelled without notice due to an unforeseen event or condition.

Privately arranged trips, including those led by District staff members, shall not be represented as or construed to be sponsored by the District or school. The District does not provide liability protection for privately arranged trips and is not responsible for any damages arising from them. ⁶

¹ As an alternative, substitute the verb "encouraged" for "permissible." State law also permits educational tours as a course supplement but does not authorize the use of school funds for such tours. 105 ILCS 5/10-22.29b.

² According to 105 ILCS 5/29-3.1, "[t]he school board may provide transportation for pupils on bona fide field trips in Illinois or adjacent states." The superintendent or designee is delegated the responsibility to approve field trips after considering the factors in the policy.

³ 105 ILCS 5/29-6.3 allows districts to transport students in multi-function school activity busses (MFSABs) for school sponsored activities.

⁴ These are at the local board's discretion.

⁵ Transportation fees are permitted by 105 ILCS 5/29-3.1.

⁶ This paragraph is optional. It seeks to distinguish privately arranged trips from those that are controlled and sponsored by the district and provides a disclaimer.
