### Extracurricular and Co-Curricular Activities <sup>1</sup>

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Non-school sponsored student groups are governed by School Board policy, 7:330, *Student Use of Buildings - Equal Access*.<sup>2</sup>

### Academic Criteria for Participation

For students in kindergarten through 8th grade,<sup>3</sup> selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

<sup>1</sup> *Non-curriculum related* extracurricular activities that meet during non-instruction time in secondary schools trigger the Equal Access Act (EAA) (20 U.S.C. §4071 *et seq.*). The EAA prohibits the school from denying fair opportunity or *equal access* to any students who wish to conduct a meeting within a limited open forum on the basis of the religious, political, philosophical, or other content of the speech at such a meeting. The U.S. Supreme Court interpreted "non-curriculum related student group" as any student group that does not directly relate to the body of courses offered by the school. *Bd. of Ed. of Westside Community Sch. Dist. v. Mergens*, 496 U.S. 226 (1990).
