Homework Expectations:

- Assignments should be written in the student's assignment notebook.
- Proper heading on paper; Name and assignment number.
- Students are responsible for getting any notes and assignments missed due to an absence from class. Check the class website for homework assignments.
- All assignments must show work written out.
- All assignments are completed in pencil. Red ink is used for grading.
- Papers must be free of rips, tears, and frayed edges. Neatness counts.
- Each assignment is due the following day unless specified differently.

Tests:

- Expect a test every 8-10 school days.
- Tests are announced at least three days prior to date taken.
- A review assignment or studyguide is provided before each test.
- Test corrections are allowed. See website for explanation.

Grading Policy:

In a typical quarter, I have four or five categories for assessments. Each category has a different weighted percent for determining the overall grade.

- Tests: between 50% - 60%
- Homework: between 20% - 25%
- Participation/Effort: between 10% - 15%
- Quizzes/Projects: between 10% - 15%
- Preparedness: 5%
