How to register for Beginning Band, 2021-22

- Attend the Beginning Band Recruitment Night that will take place September 7th from 4 – 6:00 p.m. in the Millburn Elementary Band Room, Or....
- Register by downloading the Beginning Band forms and sending them to the main office of either school to the attention of Mr. Anderson. It is helpful to me if these forms are received no later than September 3rd.

The following is information contained in this packet.

1. The Band Handbook and beginning band handbook. Read and keep this information for future use.
2. Band Registration Form. Please print neatly and return along with your child's registration fee. If you do not register at the recruitment night, please send the forms to the main office by September 3rd.
3. Calendar of Events. For beginning band you will see there are only two performances for the year. However by all means come and be apart of the other events the older students play in.
